

Intern Position at Ten Broeck Farm

Join our team at
Ten Broeck Farm, Pepperell MA
for a unique and rewarding intern position.

**** Now interviewing ****

MORE ABOUT THE OPPORTUNITY:

Are you eager to learn? Do you have at least 5 yrs. riding experience?

At our dressage training facility you will assist in all aspects of horse care, starting young horses and schooling upper level horses. Learn to handle horses on the ground and to show on the triangle for breed shows. Live in position, food supplied, with small stipends.

The right candidate will:

- ride and audit at clinics with national and international trainers
- show sales horses and/or client horses
- advance in position with greater responsibility

Requirements

Looking for someone with experience starting young horses. Prefer braiding and grooming experience as well. Passion to learn a must! Applicants must be willing to commit to comprehensive program.

Benefits

Showing, clinics mounted and unmounted.

The Facility

This is a dressage training facility. Active in competition and having events at our facility. We ride and train all breeds including mostly warmbloods and lusitanos. This is a 25 stall barn with a pleasant working atmosphere. This is a non-smoking facility.

Interns helping each other with starting a young horse!

**Weekend
internships
available.**
